

**MINUTES OF THE MONTHLY C.D.C. MEETING HELD WITH THE DEPARTMENTS
UNDER NCHAC, HAFLONG, DIMA HASAO**

DATE – 22nd March' 2024 :

TIME – 11:00 AM

VENUE : CEM's Conference Hall, NCHAC, Haflong

The CDC, in its meeting on the date above in the Conference Hall attached to the Chief Executive Member's office, finalised the Annual Action Plan (AAP), 2024-25, regarding the Dima Hasao. The August house held the meeting with Shri Debolal Gorlosa, Hon'ble Chief Executive Member of North Cachar Hills Autonomous Council, in the Chair, in the presence of the Hon'ble Chairman, Dima Hasao Autonomous Council, Shri Mohet Hojai.

Shri T.T. Daulagupu, Principal Secretary, NCHAC, welcomed all members present in the DPB meeting, informed the house of the receipt of similar allocation of fund to the financial year 2023-24 from the Finance Department, apart from emphasising utilising SOPD funds by the 31st of March 2025, or the unutilised funds of the financial year 2024-25 will have to be carried over in 2025-26 as per the latest Government's instruction.

Two other Secretaries: Shri P.S. Jahari, Secretary and Shri P. Pegu, Deputy Secretary to the Council–helped the house conduct its business.

After all the sectoral Heads read out, in brief, the details of how they utilised funds for their respective Annual Action Plans allocations of 2023-24 and how they have planned to execute schemes against which allocations proposed during 2024-25 in succession, the CDC made necessary additions and alterations of schemes after threadbare discussions among members present in the meeting.

The CDC's main thrusts for the year were on making medicines available free of cost, including Life Saving ones, at Haflong Civil Hospital and other Health Units, and the payment of wages of JCB and Ambulance drivers, sweepers; streamlining the revenue collection at the Entry Tax Gates by opening two new ones to the existing four taxes collection centres; shifting the slaughterhouses at Mahadev Tilla market to the old building of G.C.Langhasa School; curbing the excess consumption units of electricity in urban LED high mast lighting; underscoring the need to upgrade amenities like regular water supply at villages, CDPO offices, Anganwadi Centres and educational institutions, to fulfil the national criteria.

In addition, the house resolved to use the funds aiming to achieve self-sufficiency in poultry and fishery productions from the investments all development entities make by executing schemes, subtly aiming to better the economic condition of the poor people, pinpointing the farming community of Dima Hasao.

In tendering its approval of the AAP, 2024-25, as submitted by all Council Heads of Department as per advice tendered in the Preliminary District Planning Board Meeting held on the 13th and 14th of February 2024, followed by their respective sectoral allocations by the administrative authority of the NCHAC, the CDC specifically ordered some Transferred Subjects to comply with the under-mentioned instructions, as stuck out herein below under **SUGGESTED ACTION** in the tabular form:
